

MEI's Commitment to Safety, Health & Environment and Society

- ✦ MEI shall strive to provide safe, healthy, hygiene and ergonomic working environment for its employees.
- ✦ We strive to take the responsibility to protect the Environment as green, clean & hygiene.
- ✦ We always strive for environmental sustainability and comply with all applicable laws and regulations.
- ✦ We are committed to the uplift and development of the communities where we are present.
- ✦ We engage with the community and other stakeholders to minimise any adverse impact that our business operations may have on the local community and the environment.
- ✦ We encourage MEI workforce to volunteer on projects that benefit the communities in which we operate.
- ✦ We strive to prevent the wasteful use of natural resources and are committed to improving the environment, and the management of hazardous materials.
- ✦ We do not employ children nor forced labour in any form at our workplaces.
- ✦ MEI, in the process of production and sale of its product and services, shall strive of economic, social and environment sustainability.
